NOT TO BE USED FOR NAVIGATION
This is not a chart. This diagram is derived from racing mark data provided by SCRA and land, sea, and other information from Admiralty Chart 2045 with permission of UKHO. It is produced as a guide to Solent racing marks for racing yachts but must not be used for navigation and must not be used to replace navigational charts. Positions of racing marks are approximate and users are reminded that the position of buoys may vary depending on the height of tide and the strength of wind and tidal streams. The publishers do not, to the fullest extent possible by law, accept liability for any loss, charges, costs, damages, or injury of its use, or non-use, whether directly or indirectly and however caused.
