

THANKS FOR THE WARM WELCOME

Knight Frank

Since opening in July, our new Haslemere office has made a great start, winning thirteen new instructions, and exchanging contracts on six properties. We also have seven properties currently under offer and are working hard to find the right buyers for the other properties on our books. Looking forward to 2012, we are anticipating another exciting year in the property market.

If you are thinking of selling your property or would like a free market appraisal please speak to Russell Grieve on 01428 770 560 or visit us online at knightfrank.co.uk/haslemere

Providers of care since 1984 • All services registered with the Care Quality Commission

Dedicated to providing an outstanding quality of care...

Huntington House is a friendly, family-owned, country house nursing home set amongst 30 acres of gardens and grounds in an officially designated Area of Outstanding Natural Beauty.

We have been providing an unparalleled standard of care to the older members of our community since 1978.

“ I commend you on what you have created at Huntington House. Great facilities, lovely atmosphere. ”

An emphasis on offering the best possible service and attention to detail sets Huntington House apart, whilst our accommodation and facilities enable our residents to live in the comfort and security that they deserve.
